

Those of you who are currently using on-line bill paying services will be pleased to hear that we are launching a new giving service called "E-Giving." E-Giving is designed to enable you to fill out your offering envelope on-line and transfer funds electronically. This method of giving will provide the same confidentiality that you are accustomed to plus the convenience that on-line services offer. We understand that this method of giving may not be for everyone and our regular offering time will continue to be a part of our Sunday morning services. If you would like to participate in E-Giving, please follow this link for complete instructions.

Instructions for E-Giving

***Note: In order to use E-Giving, you will need to have cookies and scripts enabled on your browser. Refer to your browser's help documents for more information about these features.
